Upgrade: Taking Your Work and Life from Ordinary to Extraordinary
by Rana Florida

Noelle Walsh's review

bookshelves: real-life

Read from September 09 to 12, 2013

This book is pretty good. The tips, I felt, were helpful, the book itself, well-written and easy to follow. I think it's worth reading. If the tips in this book can help make one's life better, than it's truly worth picking up.
